CABO SAN LUCAS

On the southernmost shores of the Baja Peninsula, where the warm waters of the Pacific Ocean meet the Sea of Cortez, an intimate hideaway unfolds below the dramatic cliffs of majestic Pedregal Mountain, long known as a private refuge for elite homeowners. Welcome to a sanctuary of pure indulgence and seclusion, steps from charming Cabo San Lucas and its world-class marina.

Welcome to Capella Pedregal.

An extraordinary private tunnel, awash in dancing torchlight, leads through the mountain's interior to a remote Pacific cove ~ the entrance to Capella Pedregal. Ocean and sands beckon, and you are immediately embraced by hospitality as warm as the Baja breezes. Capella Personal Assistants are on hand to anticipate your every need and desire. In every exquisite accommodation, private plunge pools and stunning ocean views await.

Amid the spellbinding blend of mountains and sea, an aura of mystery and drama pervades.

Main Entrance

Consider the 24 breathtaking acres of Capella Pedregal your own private playground. At the spectacular 12,000-square foot Auriga Spa, guests are invited to "tap into the celestial rhythm." Four signature services corresponding with the lunar phases highlight a full menu of treatments, many rooted in Mexican folk tradition. Flowing, organically designed interior spaces spill into outdoor treatment areas, where healers work their magic against a stunning ocean backdrop. Immerse yourself in an Aquatic Massage or Healing Ocean Cocoon, and feel every muscle relax as your mind lets go. The experience, for body, mind and spirit, is heavenly.

The earthly pleasures of fine food and drink also have a special place at Capella Pedregal. In three distinct dining environments, guests enjoy inventive dishes featuring the freshest local ingredients. Our fine dining venue, Don Manuel's, specializes in nouveau Mexican cuisine. El Farallón serves grilled seafood in a dramatic cliffside setting suspended over the waves. At the Beach Club, guests enjoy coastal Baja favorites in the dining room, on the terrace, and on the beach.
