CAPELLA SINGAPORE CELEBRATES A DECADE OF EXCELLENCE*The luxury Sentosa property launches experiential stays from March-June to celebrate their 10th anniversary*

(Singapore, February 2019) In celebration of their tenth anniversary this year, Capella Singapore has launched a series of experiences to showcase the best of the property and its location. Throughout the last decade, Capella Singapore has cemented itself as one of the most luxurious hotels in the region, having welcomed thousands of visitors to its coveted spot on Sentosa island. Celebrating the decade from March to June and encouraging guests to commemorate the milestone.

All **Capella Celebrates Ten** experiences from March-June will include a complimentary 6-course tasting menu at Capella Singapore's fine-dining Cantonese restaurant, Cassia. The tasting menu has been especially curated to celebrate the 10th year anniversary, and includes a selection of signature dishes from 2009-2019, including **Crispy Suckling Pig with Minced Shrimp Paste** – *Steamed Charcoal Barbecued Kahoshima Pork Bun with Black Truffle* – **Signature Wok-Fried Australian M9 Wagyu Beef** – *served in a Black Pepper Sauce* – and **Hunan-Style Foie Gras Fried Rice** – *with Sweet and Sour Crispy Kagoshima Pork*. Named for the Asian spice of the cinnamon family, Cassia was designed to create a welcoming, seductive ambience, complementing the restaurant's reinterpretation of traditional Chinese cuisine within the context of its colonial-era Tanah Merah setting.

For Capella Celebrates Ten experiences in March and June, a Vespa Sidecar tour of the city for two will also be included. A new addition to the carefully curated selection of experiences offered at Capella Hotels & Resorts, the sidecar tour will offer guests of Capella Singapore a unique exploration of the city, travelling off the beaten tourist track to explore local neighbourhoods such as Tiong Bahru, famed locally for its vibrant flower markets and coffee shop culture.

Guests enjoying the **Capella Celebrates Ten** experience during May can enjoy complimentary babysitting services, whilst those staying in April can enjoy brunch at The Knolls for two people. Having made a name for itself as one of Singapore's favourite brunch destinations, The Knolls is an inviting, social destination featuring indoor and outdoor seating options, with direct access to the hotel's picturesque cascading pools, herb garden, and surrounding greenery.

Combining old-world colonial charm with contemporary chic, Capella Singapore is located in two restored Tanah Merah colonial bungalows, which date back to the 1880's. Inspired by Tanah Merah's Malay translation red earth, architects Foster + Partners designed the resort to sit in harmony with surrounding nature.
