CAPELLA UBUD, BALI UNVEILS THE LODGE

A LUXE TENT FOR AFFLUENT ADVENTUROUS FAMILY TRAVELLER

The award-winning tented camp sanctuary, Capella Ubud, Bali, today launched The Lodge, a new addition tailored to accommodate the nuanced needs and wishes of an adventurous small family or the well-heeled traveler seeking stylish and lavish accommodation and tranquility amongst untouched surroundings.

The signature theme of the over 2,000 sq ft. lodge is its exotic, Oriental color scheme and whimsical design. Bill Bensley conceptualized the two-bedroom tent based on the history of the owners of the property who are of Chinese descent. Blended into the terraced landscape, The Lodge offers awe-inspiring, unobstructed, Keliki valley views and the verdant landscape; an open plan living room; a master bedroom with a king-sized bed; a twin bedroom with two double beds; two bathrooms (one featuring a Japanese soaking tub and one with a hand-hammered copper bath).

The al fresco living room with its very own private refreshment bar leads to a large outdoor deck with two large daybeds – the perfect spot to spend time amidst the serene rainforest landscape while enjoying the sounds of nature and the Wos river running below. The Lodge has its own private 19 sqm (205ft) private salt water pool as well (the other 22 tents also come equipped with their own private plunge pools).

This one of kind hidden retreat offers guests a truly unique under-canvas experience carefully balanced with today's modern conveniences and technology. Amenities and services, included with The Lodge:
